- |              |                 |                |
|--------------|-----------------|----------------|
| Pallets      | Cedar Roofing   | Particle Board |
| Decking      | Wafer Board     | Lumber         |
| Clean Wood   | Chipboard       | Fencing        |
| Plywood      | Demolition Wood | Rotten Wood    |
| Painted Wood |                 |                |

Acceptable Yard Debris:

- Brush      Grass      Leaves  
 Fire Wood      Stumps  
 Logs less than 12" in diameter & shorter than 6'

**CAUTION: Wood loads contaminated with the following materials listed below will be charged additional processing fees based on the volume of contamination in the load.**

Treated Wood, Railroad Ties, Sander Dust, Formica Laminated Wood, Paper, Garbage, Plastic, Tar Paper, Asphalt, Door Hardware, Metal, Wire, Rock, Sod, Dirt, Brick, Cement, Plastic

Clean wood loads will be recycled at Lane Forest Products/WRI or Rexius.

Wood recycling guidelines may change--always follow the most recent guidelines to insure the wood load is "clean" and will be recycled.
