Prior to delivery, we collect the following:

For a 20 cubic yard box	\$265.75 (includes delivery of box, 1 haul & 2 tons)
For a 30 cubic yard box	\$387.85 (includes delivery of box, 1 haul & 3 tons)

PLACEMENT: Drop box needs to be placed on solid ground. If placing on dirt or grass, plywood will need to be put down to prevent the box sinking into the ground. To place a box in the street, a permit is required from the city. Call (541) 726-3753 for information.

The legal maximum **weight limit** for the load is 8 tons (16,000 pounds)

Do not pile any material above the top of the box

Prohibited Items: Tires, rims, batteries, engine parts, liquids, hazardous materials, large appliances, TV's, computers, mattresses, 55 gal drums must be empty and cut in half.

If you are doing any kind of demolition or remodeling, you are responsible for proper removal and disposal of **asbestos**. Any questions about asbestos, call LRAPA (541) 736-1056.

The customer is responsible for contacting Sanipac to have the drop box emptied or removed from the site. To contact us, call **(541) 736-3618**.

* Disposal fee at EcoSort for construction debris or mixed recycle loads is \$64.00/ton
